Hello!
Thank you for your time and consideration in sponsoring Redneck Games 2023. Redneck Games are held on the first Saturday in July; based on previous years' participation, large crowds are expected.

Redneck Games are run by a small group of hardworking local folks who beat the bushes and run the roads searching for sponsors for each year's games. Each year Rednecks Games has grown in both participants and spectators. It's not your typical Rodeo or Playday. Our events are 2-person team events and are rarely if ever, seen at any other horse-based sporting event you will ever attend. Our events include obstacle courses that test our competitor's horsemanship skills and working with a teammate. The crowds of spectators really get into the events and have a lot of fun, as the events are very out of the ordinary. In the past, we have only offered an open and youth division. However, in hopes of growing our participation, we will now offer an open, 13-18, and 12 & under division.

Redneck Games was originally started to buy needed supplies for the FFA Pivot Team, "The Red Riders." The funds raised were used for purchasing matching tack and matching clothing during the first 4 years. In the past few years, the Red Riders pivot team was set up and only needed funding for repairs and replacements, so we decided to use this event to fund another great cause that we are VERY excited about. The proceeds from the event will go to a college scholarship fund. After the 2022 Redneck Games, proceeds have afforded us the opportunity to award \$5,000 in scholarships to ten 2023 high school seniors.

We proudly advertise and promote our sponsors and encourage patronage of the businesses and ranches that support the event each year. We kindly ask for any type of donation, whether it is money or products; we appreciate any donation! Our sponsors will be promoted on our posters, social media, event shirts, and radio ads, as described below. On the day of our event, our announcer is constantly promoting all our generous sponsors.

If you choose to sponsor the 2023 Redneck Games, we appreciate it more than we could ever express. We know times are tough, and you probably have a constant flow of requests for donations for other worthy causes. With that said, we realize you can't sponsor everyone; we just ask if you are unable to sponsor us this year that, you would consider us for next year.

Thank you again for your time and consideration. This letter will also serve as a receipt for your generous donation when signed by a Redneck Games committee member.

Sincerely,
Redneck Games Committee
